

CLUB HILLSDALE

Presidents Report 20/21

Firstly, on behalf of the Board of Directors and myself, allow me to offer my condolences to those of you whom have lost family and friends throughout the year.

Unfortunately, during 2020 and 2021, there was not much to report due to Covid restrictions. During the time the club has been closed we undertook some minor works to the gaming room, allowing for additional gaming machines and a larger outdoor gaming area.

Staff member, Julia Moroney, has done a great job in acquiring a government grant for \$15,000 to assist with expenses with awnings above the decking area and a walk-in freezer for the bistro kitchen.

A huge thank you to our bowls coordinator, Jose Meneses who has always been on the ball organising bowls tournaments and pennant games.

Our Greens Keeper, Chris Bell, a quiet achiever, always ensuring that our greens are in top condition for our bowlers, a big thank you from all our bowlers.

Congratulations to Eric, our new Head Chef. Eric and his staff have done a great job keeping the bistro food flowing. Thanks to all the Bistro and food service staff. Eric is preparing great new Summer and winter menus. Eric has a great sense of humour, say hello next time you're at the club.

Thank you to Carlos, Debbie Glynn, Julia Moroney and all the staff for their work throughout the year

Lyle Spowart

President
